

DIEBOLD NIXDORF, INCORPORATED

AUDIT COMMITTEE CHARTER

Purposes

The purposes of the Audit Committee (the “Committee”) of the Board of Directors (the “Board”) of Diebold Nixdorf, Incorporated (the “Company”) are to assist the Board in fulfilling the Board’s oversight responsibilities with respect to:

- the integrity of the Company’s financial statements;
- the Company’s compliance with legal and regulatory requirements;
- the independent auditors’ qualifications and independence; and
- the performance of the independent auditors and the Company’s internal audit function.

The Committee shall also have the responsibility to prepare the Committee’s report, made pursuant to the Securities Exchange Act of 1934 (the “Exchange Act”), to be included in the Company’s annual proxy statement.

Composition of the Committee

Number. The Committee shall consist of no fewer than three members.

Qualifications. Each Committee member shall have all of the following qualifications:

- Each Committee member shall meet the independence criteria of (1) the rules of the New York Stock Exchange, as such requirements are interpreted by the Board in its business judgment and as established by the Board or an appropriate committee of the Board, and (2) Section 301 of the Sarbanes-Oxley Act of 2002 and all rules promulgated thereunder by the Securities and Exchange Commission.
- Each Committee member shall be financially literate upon his or her appointment to the Committee, and within one year shall have a basic understanding of matters of accounting and internal control coming before the Committee sufficient to function effectively as a member of the Committee. Additionally, at least one member of the Committee shall have accounting or related financial management expertise and that member or another member of the Committee shall have sufficient education and experience to have acquired the attributes necessary to meet the criteria of an “audit committee financial expert” as defined in the rules and regulations of the SEC. The Board determines, in its business judgment, whether each member is financially literate and whether at least one member has the requisite accounting or financial management expertise and whether that member or another member of the Committee has sufficient education and experience to meet the criteria of an audit committee financial expert as defined in the rules and regulations of the SEC. The designation or identification of a person as an audit committee financial expert shall not (1) impose on such person any

duties, obligations or liability greater than the duties, obligations and liability imposed on such person as a member of the Committee and the Board in the absence of such designation or identification, or (2) affect the duties, obligations or liability of any other member of the Committee or the Board.

- Each Committee member shall receive as compensation from the Company only (a) director's fees (which includes all forms of compensation paid to directors of the Company for service as a director or a member of a Board Committee) and/or (b) pension payments or other deferred compensation provided that such compensation is not in any way contingent on continued service.
- No Committee member shall simultaneously serve on the audit committee of more than three public companies (including the Company) unless the Board determines that such simultaneous service would not impair the ability of such member to effectively serve on the Committee. The Company shall disclose any such determination in its proxy statement relating to the Company's annual meeting of shareholders.

Appointment and Removal. The Board appoints Committee members and appoints a Committee Chair from among those members. Each Committee member shall serve at the pleasure of the Board for such term as the Board may decide or until such Committee member is no longer a Board member.

Duties and Responsibilities of the Committee

The Committee is responsible for overseeing the Company's financial reporting process on behalf of the Board. Management is responsible for the preparation, presentation and integrity of the Company's financial statements and for the appropriateness of the accounting and reporting policies that are used by the Company. The independent auditors are responsible for auditing the Company's financial statements and for reviewing the Company's interim financial statements. The independent auditors are ultimately accountable to the Board and the Committee, as representatives of the Company's shareholders. As used in this Charter, the term "independent auditor" means any independent auditor, including one constituting a "registered public accounting firm" (as defined in Section 2(a)(12) of the Sarbanes-Oxley Act of 2002), engaged for the purpose of preparing or issuing an audit report or performing other audit review or attest services for the Company.

In performing its responsibilities, the Committee shall:

- **Retain the Independent Auditors.** The Committee shall directly (1) appoint, retain, terminate and determine the compensation of and oversee (a) the work of the Company's independent auditors, and (b) the resolution of disagreements between management and the Company's independent auditors, (2) pre-approve and approve all audit engagement fees, terms and services, and (3) pre-approve and approve any non-audit engagements with the Company's independent auditors. No less frequently than every three years, the Audit Committee shall evaluate whether continued engagement of the then-existing independent auditors would be in the best interest of the Company, taking into consideration all factors it deems pertinent. The Committee is to exercise this authority in a manner consistent with Sections 201, 202 and 301 of the Sarbanes-Oxley Act of 2002. The Committee

may delegate the authority to grant any pre-approvals required by such sections to one or more members of the Committee as it designates, subject to the delegated member or members reporting any such pre-approvals for ratification by the Committee at its next scheduled meeting.

- Review and Discuss the Auditors' Quality Control. The Company's independent auditors shall report directly to the Committee. The Committee shall, at least annually, obtain, review and discuss a report by the Company's independent auditors describing (1) the audit firm's internal quality control procedures, (2) any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and (3) any steps taken to deal with any such issues.

In connection with the retention of the Company's independent auditors, the Committee shall, at least annually, review and discuss the information provided by management and the auditors relating to the independence of the audit firm, including, among other things, information related to the non-audit services provided and expected to be provided by the auditors. The Committee shall be responsible for (1) ensuring that the independent auditors submit at least annually to the Committee a formal written statement delineating all relationships between the auditors and the Company consistent with applicable independence standards, (2) actively engaging in a dialogue with the auditors with respect to any disclosed relationship or service that may impact the objectivity and independence of the auditors, and (3) taking appropriate action in response to the auditors' report to satisfy itself of the auditors' independence. In connection with the Committee's evaluation of the auditors' independence, the Committee shall also review and evaluate the lead partner of the independent auditors and take such steps as may be required by law with respect to the regular rotation of the lead audit partner and the concurring audit partner of the independent auditors.
- Policy on Hiring Employees of Independent Auditors. The Committee shall not permit any person to be employed by the Company as its Chief Executive Officer, Chief Financial Officer or Chief Accounting Officer (or in an equivalent position) if (1) such person is or was within the two years prior to becoming employed by the Company an employee or partner of an independent auditor that audited the Company's financial statements during such two-year period and he or she participated in any capacity in such audits, or (2) the hiring of whom would otherwise violate the restrictions set forth in or established pursuant to Section 206 of the Sarbanes-Oxley Act of 2002.

The Committee shall decide all unresolved disagreements between management and the independent auditors regarding financial reporting. The Committee, consistent with Section 303 of the Sarbanes-Oxley Act of 2002, shall not influence the conduct of the audit in any improper manner.

- Discuss Risk Management Policies. The Committee will discuss the company's major financial risk exposures and the steps management has taken to monitor and control such exposures. The Committee is not intended to be the sole body
